Hello SUMMER

2024 Paris Olympics

THIS YEAR, 206 COUNTRIES WILL BE REPRESENTED BY OVER 10,000 ATHLETES AT THE PARIS 2024 OLYMPICS.

While we did not watch or recommend, the Opening Ceremony or the Closing Ceremony of the Games, we watched a few games of interest which we consider the highlights of the occasion, solely for the purpose of supporting the athletes who participated.

Here are some highlights.

FAMOUS ATHLETES

Some famous athletes competing are Simone Biles, Suni Lee, LeBron James and Dina Asher-Smith. In the US Basketball team, all the top athletes were present.

YOUNG PRODIGIES

there are some young prodigies competing too in this year's games such as Coco Gauff, Sky Brown, Yoshizawa Coco and Sakura Yosozumi.

NEW EVENTS

There are many amazing events to watch, including a new addition to the Olympic games, breakdancing!

COUNTRY RANKINGS

Here at Tween Holiday, we are very excited to see some of these athletes compete and see which country wins this year's Olympics!

MOVIE REVIEW

DESPICABLE ME 4

by Zizi

Another addition to the Despicable Me franchise. Despicable Me 4 follows Gru and his family getting used to 'blending in' and keeping a low profile after being relocated because a threat that could potentially be a huge danger to Gru and his kin escaped from prison. And just as Gru is getting used to his new life, a youngster with critical information that could jeopardise Gru's whole family asks Gru for a dangerous favour...

New family, new home, new identities, and even mega minions! Is there anything that was left out of this movie?

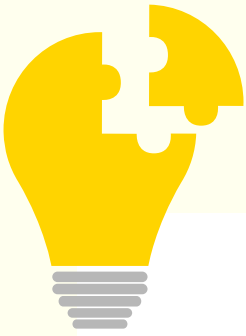

I rate Despicable Me 4 **4.5 stars**.

It's another hilarious addition to the franchise and is a fun and entertaining movie to watch with friends and family.

Inside Out 2

An epic sequel to Inside Out - this movie follows Riley Andersen as she turns 13 years old and the struggle of being a teenager. Joy and the other emotions must find a way to regain control of Riley's control centre after more emotions invade Riley's head! They seem to want to take control and, what's more, during a time where Riley is trying hard to keep a good social status and 'fit in'. The question is, how is all this gonna turn out for Riley?

HOBBIES (BY ZIZI)

This summer, you have plenty of free time on your hands, consider picking up a hobby. Studies show that engaging in regular activities you enjoy can improve academic performance and mental health. Here are a few of my favourite activities that I enjoy regularly.

WRITING

This is one of my favourite hobbies. Being able to form different worlds and perspectives from your pure imagination is truly such a fun concept and so simple to do. I mainly like poetry and writing stories, whether it's creating new ones from scratch or taking original ones and putting them into different perspectives.

BRACELET MAKING

This is a new hobby that I took up recently. I usually never do (or finish) practical crafts, but making bracelets is a simple hobby that requires little to no skill to do it.

BASKETBALL

I always find it fun to hang out with people my age and build my teamwork skills and sportsmanship by having one or two sports that I do weekly. Basketball is one of my favourite extracurricular activities and I have made lots of new friends doing it.

ROLE MODELS: OLYMPICS

This year, in Paris, the Olympic Games are being held, featuring many well known athletes from all over the world. However, a lot of these athletes are rich and famous, many of them are also humble, relatable and excellent role models. Here are some ways the athletes at the Olympics have been amazing role models.

ZHENG HAOHAO

All the way from China to Paris, superstar Zheng Haohao, who is only 11 years old, will be representing her country in skateboarding.

She is China's youngest Olympian and hopes to be bringing back home a gold medal.

SIMONE BILES AND JORDAN CHILES

In the Women's Artistic Gymnastics Finals, Simone Biles and Jordan Chiles, both representing Team USA, came 2nd and 3rd at the floor finals.

Rebeca Andrade from Brazil came first place and whilst on the podium, Biles and Chiles both bowed to her, celebrating her win and giving her much deserved recognition.

This act showed great humility and sportsmanship.
