WINTER

LENT

40 DAYS OF COMMEMORATION

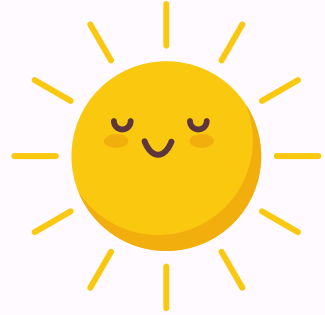

Lent is the 40 day period leading up to Easter in which Christians commemorate the 40 days that Jesus spent fasting in the wilderness. Lent begins on Ash Wednesday and ends on Holy Thursday (the Thursday before Easter). During Lent, Christians often give up (or fast) from something and many avoid eating meat on Ash Wednesday and Good Friday. This year, Lent starts on 5th March and ends on 17th April. If you celebrate Lent, consider something you would like to fast from and use this period to focus on meditating and bringing yourself closer to God.

Weird and Wacky Facts

The sun can appear to be larger in Winter as it is much lower in the sky.

Winter actually doesn't end until March 20th in the Northern Hemisphere.

Insects such as nymphs, dragonflies and mayflies live in ponds and streams during the Winter season.

Winter lasts for 21 years on Uranus.

SONIC THE HEDGEHOG 3

review

By Zizi

Photo rights by Paramount Pictures

THE WHOLE MOVIE WAS INTENSE AND THRILLING, WITH MANY UNEXPECTED TWISTS IN THE PLOT AND CHARACTER REVELATIONS. IT'S A GREAT STORY ABOUT HOW YOU SHOULDN'T LET PAIN CHANGE WHO YOU TRULY ARE IN YOUR HEART.

I rate Sonic the Hedgehog 3
4 stars

Sonic the Hedgehog 3 is the 3rd movie in the Sonic the Hedgehog franchise. The movie features performances from the usual Ben Schwartz and Jim Carrey to the newer addition Keanu Reeves.

This movie is an action filled adventure following Sonic, Tails and Knuckles as they encounter yet another alien with amazing power; Shadow, whose plans are revealed slowly throughout the movie using character backstories, gripping action and intense dialogue.

The power of Shadow is unlike anything seen before and his mysterious character forces Sonic and his team to make an unexpected alliance.

Movies to watch this season

Captain America: A brave new world is another addition to the Marvel Cinematic Universe, featuring Anthony Mackie playing his character Sam Wilson. In this movie, Sam Wilson will be taking up the role of the new Captain America and has to uncover a global plot before the mastermind behind it all has the world seeing red.

Movies to watch this season

On 21st March, Disney will release the anticipated live-action to the original tale 'Snow White' which was first released in 1937. This movie features Rachel Zegler, Gal Gadot and Ansu Kabia. THINGS TO DO - SCRAPBOOKING

Although it may seem like a very time consuming hobby, scrapbooking is a genuinely great way to document your experiences in a fun and creative way.

This hobby doesn't even need to be constant, you can just have a scrapbook at hand to fill up with memories whenever you feel like it. Scrapbooks don't have to include just pictures, they can include many other things such as diary entries, small things you have collected and much more.

They can also be used to record the ways you have improved in certain areas; for example, if you want to become a better artist, you can start by sketching a few images and doing what you know on the first few pages. You can then use the scrapbook to record all the different art techniques you are learning and various forms of art that inspire you.

After a while, you will see your art improving through the different techniques and tips you have recorded in your sketchbook.

One of the most fun parts about scrapbooking is decorating your scrapbook. You can use stickers, washi tapes, markers, coloured pencils and anything you would like.

If you are still not sure how to start, you can always watch a tutorial online to get you started.

SOCIALISING
(BY ZIZI)

Even though school holidays are meant to be for relaxing after a chaotic school half-term, it's important that you're finding other ways to relax and unwind rather than just spending time on your phone.

Try to remember to socialise and have fun with other people, not just keep to yourself.

Try to talk to your family and friends this half-term by going to a local park, gardening, having a game night or cooking food with your loved ones.

Even though it is fine to bond with people over some screen time such as playing games with your siblings online or having a movie night with your friends, the most important thing is to not isolate yourself and to have fun with other people too.

Animals, they shiver,
And retreat into hibernation.
Snow has fallen,
Covering the whole nation.
Rivers and lakes,
All frozen at the surface,
Leaves fallen off of trees,
Their annual purpose.
Flowers are gone but not forever,
The Earth will regrow them in its
spring endeavours.
And over frosted hilltops, you may see
at dawn,
A round yellow sun that shines no
warmth.
Geese and ducks fly to the south,
There it is warmer, I have no doubt.
The frosted scenery, the snowy sights,
Winter is surely full of delights.
